RE: Amended Response to Item 11 With Respect to the Six-Month Period Ending November 30, 1990

The activities engaged in and on behalf of the principal are (1) promoting tourism and travel to and within Queensland, Australia; (2) providing tourism and travel information services; (3) encouraging the development of the Queensland Tourist and travel industry; and (4) advising that Queensland minister for maritime services and tourism regarding the foregoing.

Promotion takes place through the circulation of literature and brochures, programs to inform journalists traveling to Queensland, video programs and television specials. In addition, office facilities are available to assist the public seeking more information about travel and recreation opportunities in the State of Queensland.

Towards that end, Queensland Tourist and Travel Corporation employs a fulfillment house which distributes pamphlets and brochures to individuals and companies who call a special toll free number seeking more information about travel opportunities within the State of Queensland. Attached hereto is a detailed listing of all telephone calls that were made to the fulfillment house seeking information about travel opportunities in the State of Queensland. The fulfillment house inventory list describes the particular brochures that were requested, the dates that they were sent, the amount incurred for postage and other costs in connection with the distribution of these materials.

All brochures that are listed as part of this fulfillment activity have been previously submitted to the justice department with earlier registration statements.

Additionally, attached hereto is a six-month travel schedule for employees of the Queensland Tourist and Travel Corporation

outlining the various tradeshows and seminars which they attended. Each tradeshow and seminar was in connection with travel to the State of Queensland and would have been held in cooperation with other commercial airlines, hotels, and/or travel companies.
