Dear Sophia,

Thank you for your time just now. As mentioned, I am the owner of a UK-based apparel retailer and am interested in stocking Korean goods. I am looking for information on the following:

o Manufacturers/wholesalers: I would like a list of Korean apparel and accessories manufacturers and wholesalers. I would also like to know which of these companies offer private labeling.

o Trade shows/exhibitions: I would like information on how to attend Seoul Fashion Week (for the S/S 2010 collections). I would also like information on key trade shows held in Korea and arranged by KITA internationally.

o Export implications: If you have information on Korean export requirements and/or shipping information, I would greatly appreciate this.

I am happy to come and visit you in New York to discuss these things in person if that will aid the process. Otherwise I look forward to receiving an email from you with the above details. Thank you in advance for your help.

Best regards,
Lauren

ny troubles.

2. Trade Show/ exhibition

Subject: Korea-Latin American trade
Dear Keuk-Soo Kim,
*Latin Business Chronicle* is planning to publish an article on trade between Korea and Latin America and we were hoping KITA could help us with the following staistics:

1--Korean exports for 2008 by individual countries in Latin America
2--Korean imports for 2008 by individual countries in Latin America
3--Korean exports for 2007 by individual countries in Latin America
4--Korean imports for 2007 by individual countries in Latin America

We will, of course, give the appropriate credit to the KITA as the source.
Thank you for your help.

Best regards,
Joachim
