Title

EXPLANATION FOR THE BREAKDOWN OF RECEIPTS

Payments on behalf of all U.S. Bahamas Tourist Offices are made from the Accounting Department now located in Nassau, Bahamas. The actual breakdown of receipts from The Bahamas would be as much the same as the breakdown of the disbursements. The Bahamas Treasury has provided the Bahamas Tourist Offices with a working float. Payments are made against the float and at the end of each week, a summary of the disbursements is prepared (by account, eg. salaries, rents, transportation, etc.) and sent to the Ministry of Tourism, Nassau. The Ministry in turn sends these Reports to the Treasury requesting reimbursement. Reimbursement cheques are forwarded to The Accounts Office as they are received. The amount of the reimbursement cheques (receipts) received for a given period (eg. January-June, 1990) would be less than the amount of actual disbursements for that period since reimbursement cheques are sometimes received a month or more after reports have been submitted. the float allows us to continue day-to-day operations in such cases.
