“House” (Fox)	Spoke with creator David Shore about filming an episode in Canada. Unfortunately, it is too difficult for the show to leave their Los Angeles set. David in fact is from London, Ontario so he makes Canadian mentions as much as he can.

“Men in Trees” (ABC)	Reached out to producers about filming an episode in Canada as the show films in British Columbia and is set in Alaska. Producers are very interested in the idea and are currently looking into their future storylines to see where Canada could fit. Will continue to follow up with producers.

Integration fee would be \$50,000 for one episode plus the trip or \$250,000 for a Canada themed destination week plus the trip giveaway each day. Submitted NBC’s marketing deck to CTC detailing the show’s demos and ratings. Waiting for feedback from CTC.
