Re: Engagement of Patton Boggs LLP

Dear Mr. Verr

Thank you for retaining Patton Boggs LLP ("Patton Boggs") to represent National Council on Privatisation, Secretariat, Bureau of Public Enterprises of the Federal Republic of Nigeria (the "NCP") in connection with the 1999 Annual World Bank Group-International Monetary Fund ("IMF") Meetings. Our objective in this representation is to secure meetings on behalf of His Excellency Anku Abubakar, Vice-President of the Federal Republic of Nigeria ("Nigeria") of the "Nigerian government") and Chairman of the NCP which will (1) further enhance the development of the Nigerian government's relationship with the United States of America; (2) increase the visibility of issues critical to the Nigerian government before the United States government, the IMF and the World Bank; and (3) build even stronger relationships between the Nigerian government and a broad band of leading multinational corporations in order to increase direct foreign investment in Nigeria and strengthen support for the Nigerian government within the United States on issues vital to the economic and political viability of the Nigerian government. The meetings are to take place on or about from September 27-28, 1999. We look forward to working with you on this engagement.

To ensure that the NCP and we have a common understanding of the terms of our representation and to comply with the rules of professional conduct for the jurisdictions in which we practice, I have enclosed a statement describing the standard terms of engagement for legal services to be provided by Patton Boggs. The terms of engagement cover such matters as our procedure for handling potential conflicts of interest, fees, costs and expenses, billing arrangements and terms of payment. Please review the document carefully to ensure that it comports with your understanding. This letter supplements and modifies the enclosed terms of engagement.

Thomas Hale Boggs, Jr., and I will be primarily responsible for the work done on behalf of client and will supervise the lawyers and other professionals who may work on this project. I anticipate that associates, staff attorneys, legal assistants, specialists and/or consultants will assist in the matter.

Based on our discussions, we have agreed to undertake the representation described above for a total of U.S. \$175,000. As you know, we have received a wire transfer from the NCP in the amount of U.S. \$175,000. We will charge our fees and expenses against this advance. If the scope of the project expands significantly or unforeseen events necessitate additional work, we reserve the right to, after discussion with you, either increase the amount of the budget or limit the scope of our representation.

As explained more fully in the terms of engagement, we will determine our legal fees based on our standard hourly billing rates in effect when the work is performed and the number of hours worked by each attorney. Our hourly billing rates for most of our partners range from U.S. \$220 to \$595 and the hourly rates for most of our associates range from \$120 to \$235. Our legal assistants generally have hourly billing rates ranging from U.S. \$50 to \$130. The billing rates of certain lawyers with special expertise or extensive experience may be outside these ranges. My time is billed at U.S. \$330 per hour. Mr. Boggs's billing rate U.S. \$595 per hour. If you would like to know the hourly billing rates of other billers most likely to work on a particular project, please call me. Generally, we adjust our billing rates for partners in January and those of our associates in October. In addition to our fees for legal services, we also charge separately for certain costs and expenses as described in the enclosed statement.

If these terms and conditions, including those set forth in the terms of engagement, meet with your approval, I would appreciate your acknowledging acceptance of both documents by signing and returning the enclosed copy of this letter. If you have any questions about these terms or would like to discuss them, please call me as soon as possible so as not to impede our commencing work on your behalf.

These terms and conditions will apply to any future work we undertake for you unless we send you a new letter reflecting different terms and conditions.
