 Gold Jewelry Tariff.pdf [82KB]

Hello Tanya,

It was nice talking to you on the phone. Per your request, I have attached the tariff rate for gold jewelries. The HTS number for the products you mentioned are #71131950 and the current tariff on those in the U.S is 5.5%.

There hasn't been a formal announcement as to when the tariff will be lowered or banned all together, but if I attain more information I will update you in these matters.

I hope this answered your questions and should you need more help, please let me know.

Best,
Tina Kong

Stacy,

It was nice talking to you over the phone. Per your request I found the contact information for Dabo Cosmetics, which was luckily one of our member companies.

Former Dabo Cosmetics has changed their name to A.AM.OK. (apparently they pronounce it like "Ah-mee-oak")

www.amokcs.co.kr is their website where they sell their products online, but when I skimmed through the website they didn't seem to have that many products available (such as the power volume mascara you were looking for).

I have two phone numbers for you. [+82-32-670-2287](tel:+82-32-670-2287) is the number associated with Dabo Cosmetics, so I'm not sure if this number is updated or not.

[+82-32-678-2287](tel:+82-32-678-2287) is the number for A.am.ok. I'm not sure if you're familiar making international calls but 82 is the country code and 32 is the area code.

Also, may I have your full contact information and company name? (we need to file all inquiries and services we provide).

If you have further questions or have difficulties contacting them, please let me know.

Best,
Tina Kong

Attn: Ms. Christina Wong

Dear Christina,

We're interested to purchase a textile sample cutting machine from Samsung n Eco in Korea. However, when I look on line I can only find the web site company AliBaba where I can get information and I would like to communicate directly with the Samsung n Eco company. Is there a way to find out if they have an importer or their own company in the united States?

I would appreciate if you could let me know

kindest Regards,

Madelon de Vries

☐ Solar Panel Suppliers.xlsx [11KB]

Travis,

Per your request, I have attached the list of possible solar panel suppliers. Included are the companies' contact information and website, which you may visit and find out more about them. All of the websites have an "English" language change option on the top right corner.

Some of these companies may only use solar panels as part of their final products, but if you inquire them through phone or email, you should be able to find out whether they can have a distribution deal with you for their parts. If they do not make the solar panels themselves, it might be useful to ask them of their solar panel suppliers and contact them directly.

If you have any questions or need further guidance, please let me know.

Best,
Tina Kong
