Hi Tina,

It was great meeting you last week at TexWorld in New York! Were you able to pass along our swatch to your Korean agent? I would greatly appreciate it if you could introduce us via email.

As I mentioned when we met, my company, A.MOAY, is actively trying to source a 100% match to the double sided knit micro poly swatch that I left with you for our line of robes. I've included more details on the fabric and our requirements below.

composition: 80% poly/ 20% polyamide

width: 60 inch cuttable

weight: 300 grams

color: pfp/optical white

finishing: short individual piles laying in one direction (from top to bottom) on both sides, sheared

other info: this fabric will be used in pfp white for some products while others will undergo heat transfer (sublimation) printing.

I look forward to your response.

Very best,
Cameron
