5. Each item checked above must be explained below in full detail together with, where appropriate, specific reference to and identity of the item in the registration statement to which it pertains. If more space is needed, full size insert sheets may be used.

Our supplemental statement for the six-month period ending December 24, 1985 failed to include reference to the foreign principal Salgad International. This was an oversight due to the fact that we did not perform any political activities on behalf of the foreign principal during this period. Amendment to our statement, however, should appear as follows:

Item 9: Yes, Salgad International  
35 King Shaul Street, America House  
Tel Aviv, Israel  
Date acquired: October 1985

Item 11: Salgad International  
The firm provided general legal services to the client during this period which included counsel and advice on corporate and investment matters and research on pending federal appropriations and federal procurement procedures.

Item 12: Salgad International  
The firm did not engage in any political activities on behalf of the foreign principal during this period.

Item 14: See attachment.

Item 15: See attachment.
