<sup>1</sup> Costs are reported by the date in which the expense was booked in the firm's accounting system, not by the date payment was disbursed.

<sup>2</sup> Administrative cost entries represent ordinary costs and expenses, such as long distance telephone calls, transportation, telecopy, messenger service, postage, duplicating and travel (where such travel involves firm personnel traveling on non-FARA-reportable business), incurred in the legal representation of client. No entry represents a disbursement to the foreign principal. A number of the administrative cost entries do not represent payments by the firm to third parties on behalf of clients, but simply costs incurred by the firm and reimbursable only to the firm.
