Oranjestad, 21 APR. 1999

In connection with the engagement of Everett Clay Associates in the person of Dana L. Clay, APR, the following

1. ATA Aruba should inform all ATA offices of the assignment of these PR offices, to make sure that all necessary info and input is available to Dana Clay.
2. A visit from Dana Clay is necessary and already confirmed with mrs. Myrna Jansen for this coming May 4-5, following up for a meeting schedule should be done by Myrna.
- 3 It is definitely important that there are discussions with New York and other offices but every one of us do know what the priorities are.
Now that we have the tools lets use them.
4. There is no doubt that a "point person" close by and familiar with the ins and outs of ATA worldwide will be a valuable asset for the new PR office.
Therefore I decided to put Adriaan in that position of "position person" as of now.

This is in accordance with his contract which states that he also can perform for the Ministry including reporting straight to the Ministry.

All materials requested should be made available immediately, we received most of the items from Hammond back, check with Dana Clay what she needs.

Keep in mind that we can save considerably by providing the info/items we already have.

I trust that the February and March 1999 arrival info is already faxed to Dana Clay.

When responding, please put date and code and also one topic per letter.

In connection with the contract with Everett Clay Associates I received you fax but the original contract itself I have not received back, I do need it urgently.

Your comments are noted. Thank you.
