- All vendors must submit a completed IRS W-9 form (enclosed) to be set up as a vendor in our accounting system.

PO Number

- Your GPG Purchase Order (PO) number for this project will be provided to you upon receipt of a signed Letter of Agreement. Once received, please keep this number and reference it on all/any invoices you submit for payment.

Fees

- Your PO was approved based on the estimated fees agreed upon between you and your GPG project manager. If for any reason your fees will go above the approved estimate, you must discuss the overage with your GPG project manager **before** you perform the work and before you invoice, in case a revision to your PO needs to be submitted for approval. GPG *will not* pay for overages above the estimate in an approved PO.

Invoice details

All invoices should include the following:

- Name and address
- Federal tax ID number or social security number
- PO number
- Description of services provided and project/client affiliated with services
- Dates for which the services were provided and project/client affiliated with services and an allocation of your time to those projects (e.g. hours or percent of invoice)
- Rate for services
- Out-of-pocket expenses (if any), indicating client or project affiliated with expense. Please note that if you have out-of-pocket expenses on your invoice, you must submit original receipts with your invoice.

- Invoices are due **no later than the 4th of the month** following the month that work was completed.
- Invoices are processed when GPG receives reimbursement from client.
