Amendment to Supplemental Statement dated October 31, 2014

**5. Each item checked above must be explained below in full detail together with, where appropriate, specific reference and to identity of the item in the registration statement to which it pertains.**

**Question 12: During this 6 months reporting period, have you on behalf of any foreign principal engaged in political activities as defined below.**

The attachment should replace original submission for political activities as reported for Kurdistan Regional Government ( KRG).

**Question 19: During this 6 month reporting period, did your activities in preparing, disseminating or causing the dissemination of informational materials include the use of any of the following:**

Yes. Radio or TV Broadcasts

Website URL(s): <http://www.newsmax.com/PeteHoekstra/jihad-isis-terrorism-afghanistan/>

Social Media: @petehoestra ( <https://twitter.com/petehoeskstra> )

**Question 22: Did you file with the Registration Unit, U.S. Department of Justice a copy of each item of such information materials disseminated or caused to be disseminated during this 6 month reporting period?**

No. During this reporting period all activities subject to this amendment that fall under this disclosure requirement were in the nature of television or radio interviews. As part of our response to Question 19, we have provided Internet links to all such interviews, however we have not specifically submitted audio clips or video footage to the Department of Justice for review.

**Question 23: Did you label each item of such informational materials with the statement required by Section 4 (b) of the Act?**

No. Disclosures were made verbally by short form interviewee when he believed such disclosures were necessary based on the interviewer's questions and interviewee's responses. We did not perform a hindsight analysis given the ephemeral nature of the interviews and the inability to retroactively correct any potential omissions.
