Political activities for the Department of Trade and Industry, Republic of the Philippines, during this period involved the following:

This included the scheduling of meetings in the Congress for Philippines officials, and Filipino and U.S. private sector interests in support of the SAVE Act, discussions with U.S. Administration officials, and the preparation of materials for such meetings.
- (2) Support for the Philippines Government and private sector representatives in engaging the United States on labor issues relevant for bilateral trade relations, including the SAVE Act, and discussing the issues with Congressional staff, and non-governmental organizations and trade unions, and U.S. private sector interests.
- (3) Support Philippines officials and Philippines private sector interests to engage members of the Philippine-American community in support of expanded bilateral trade relations, and specifically the SAVE Act, including traveling to Philippine-American meetings in Maryland, New York, Nevada, California, and Oregon in August, 2010.
- (4) Support Philippines private sector in outreach to U.S. private sector, and meeting with Department of Commerce on possible trade mission.
