'CONTRACT FOR LEGAL AND PROFESSIONAL SERVICES BETWEEN THE SECRETARIAT OF FOREIGN AFFAIRS (SRE), REPRESENTED BY THE HEAD OF POST OF THE CONSULATE OF MEXICO IN TUCSON, ARIZONA AND ATTORNEY GREGORY J. KUYKENDALL, REGARDING THE MEXICAN CAPITAL LEGAL ASSISTANCE PROGRAM (MCLAP) IN THE UNITED STATES.'

PREAMBLE

This contract establishes the agreement between the SRE of Mexico, duly represented by the head of post of the Consulate of Mexico in Tucson, Arizona, and attorney Gregory J. Kuykendall, associate of Kuykendall & Associates, P.C., for legal services related to the Mexican Capital Legal Assistance Program (hereinafter "the Program.")

This agreement is executed pursuant article 16 of the Law of Acquisitions, Lease and Services of the Federal Government of Mexico.

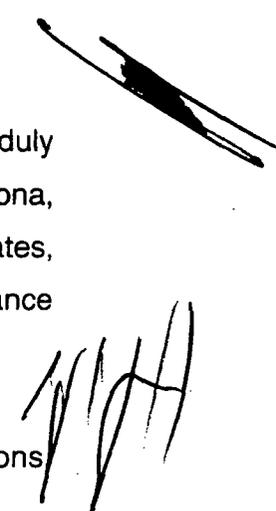

1. Purpose of the Contract

The purpose of this contract is to secure legal services and advice rendered by Mr. Gregory J. Kuykendall in the capacity of Director of the Mexican Capital Legal Assistance Program in cases wherein Mexican nationals face proceedings that could evolve in the imposition of a death penalty sentence in the United States or have already been sentenced. The legal services and advice will be rendered pursuant section 3 of this agreement.

2. Statements

In pursuance of article 26 of the Organic Law for the Federal Public Administration (OLFPA), the SRE is a Federal Agency of the Executive of the United Mexican States.

Pursuant article 28, section II of the OLFPA, it is in the province of the SRE to provide Mexican nationals abroad with Diplomatic or Consular Assistance.

USD/DES/REGISTRATION UNIT
2010 DEC 30 AM 9:37

In September of 1999 the SRE established the Program to assist in the arrangement of the legal defense of its nationals subjected to death penalty procedures in the United States. This contract establishes the obligations of each of the parties and it is governed by the federal laws of the United States of America.

The Program is a mechanism by which legal assistance and advice is provided by the Program in cases of Mexican nationals facing capital punishment procedures. The cases are incorporated into the Program once they have been assessed by it. The incorporation of new cases is carried out through detection efforts executed by the Consular Posts of Mexico and the Program itself.

As a general rule and with the view of providing the benefits of the Program to as many Mexican defendants as possible, the Program shall not take on the direct representation of Mexican nationals facing death penalty procedures. However, in specific cases, attorney Kuykendall or his staff could get involved in the direct defense of a Mexican national or of a foreign national, if his calendar of activities permitted it and if such representations were compatible with Program objectives.

Mr. Gregory J. Kuykendall is a United States citizen and a lawyer who has represented a number of foreign nationals in death penalty proceedings.

3. Duties and Obligations

3.1. Attorney Gregory J. Kuykendall shall be Director of the Program. As such, his obligations will be:

3.1.1. In performing the services and advice required by this contract:

- a) Shall exercise care and diligence and shall apply the highest professional standards.
- b) Shall do nothing which is likely to bring the SRE or the Government of Mexico (GoM) into disrepute or which is materially contrary to their interests.

3.1.2. In general, execute the expenditures and payments in accordance to the budget established in Annex I of this agreement. This provision will be carried out without prejudice of Section 4.1 .

3.1.3. To prepare model motions and legal materials, including motions to litigate international law issues, present them to US Courts and, if appropriate, to international tribunals, with the purpose of assisting in the legal defense of Mexican Nationals that face capital punishment proceedings – in particular issues related to the rights set forth in the Vienna Convention on Consular Relations.

3.1.4. To request the collaboration of other attorneys and paralegals and other professionals to assist with advancing the objectives of the Program.

3.1.5. To implement additional efforts to impede the imposition of the death penalty on Mexican nationals; including the draft and presentation of motions and legal materials for the participation of GoM as a 'friend of the court' (*amicus curiae*) in those cases where courts are considering issues of international law, and where appropriate, file legal claims to improve the effectiveness of the protections derived from international law.

3.1.6. To submit to the consideration and approval of the Legal Advisor Office, as well as to the General Directorate for Protection of Mexicans Abroad (DGPME), whenever in light of the Program Director Judgment, it is necessary or convenient to assume the direct representation of a Mexican national, or even a foreigner, particularly if the latter involves issues that could benefit Mexicans in similar situations.

3.1.7. The Program Director will provide, in coordination with the Legal Advisor's Office and DGPME, trainings and assistance to consular employees and personnel of the SRE relative to specific legal issues and legal strategies in death penalty cases. The expenses and costs of putting on the trainings, seminars and conferences, (except for the costs of travel and transportation of

the consular and SRE officers and employees) will be covered by Program funds.

The Director will keep and provide all receipts for the costs of the regional training, conferences, seminars and courses.

3.1.8. To maintain an updated data base of information regarding cases incorporated to the Program and any violations of Article 36 of the Vienna Convention on Consular Relations, as well as data regarding the alleged facts of the crime, the circumstances of the arrest, the defense lawyers and other relevant issues.

3.1.9. To provide, as per written request of and through DGPME, all the information and documentation related to the Program expenditures and administration.

The Program Director will provide, on a quarterly basis, all receipts of the costs of activities related to the Program that exceed \$300.00 USD (three hundred U.S. dollars), as well as the invoices and proof of payment to Program lawyers and other professionals who have assisted in the work of the Program.

The aforementioned documentation will be sent via the Consulate of Mexico in Tucson, Arizona to the DGPME, SRE, for appropriate review.

The Director will provide quarterly reports detailing his work and the activities of the Program. It will also provide standardized quarterly reports detailing Program expenses, including hourly billing statements as well as the aforementioned receipts.

3.1.10. The Program Director will open a bank account for the funds that will be allocated for the Program by the SRE, in conformance with the norms of professional conduct of the State Bar of Arizona. State in which the Director maintains his law office.

3.2. The duties and obligations of the SRE will be:

3.2.1. To deposit in one installment, the amount of \$3'500,000.00 dollars (three million five hundred thousand U.S. dollars) into the account of the Mexican Consulate in Tucson, Arizona, which shall transfer the funds to the IOLTA bank account, established by the Director to this effect.

4. Fund management

The amount mentioned in clause 3.2.1. will cover the costs, expenses and legal fees of the Program, from June 1, 2010 until May 31, 2011. The funds shall be allocated and disbursed as described in the 'Budget Proposal for MCLAP (Annex I).

4.1. The Program Director may transfer funds from any of the concepts included in Annex I to the following concepts: "Honorarios del Director del Programa" (Director's fees); "Honorarios por concepto de Administración, Coordinación y Contabilidad del Programa" (Administration, Coordination and Accounting fees) and "Honorarios de los Asistentes Legales (Paralegals fees), provided that the amount to be transferred does not exceed the 20% of the concept *from* where the funds are being taken.

4.2. The costs, as opposed to legal fees, that are anticipated to be paid by Attorney Kuykendall shall include but not limited to: long-distance phone calls, facsimile, photocopy, transportation, room and board, travel expenses for lawyers, private investigators, mitigation specialists, interpreters, paralegals and expert witnesses, computerized legal research, computer scanning and organization of document fees and related costs, as well as other costs related with the administration of the Program.

4.3. The Director will charge the Government of Mexico a fee of \$260.00 USD (two hundred and sixty U.S. dollars) per hour to compensate him for assuming the responsibilities of the Director. The Director has agreed to reduce his

ordinary hourly rate for the SRE, in order to assist the greatest number of Program cases.

4.4. Program Attorneys will be paid at the rate of \$190.00 USD (one hundred and ninety U.S. dollars) per hour. Paralegals and other professionals will be compensated at a lesser hourly rate, which will be determined by the Director of the Program.

4.5. In regard of the payment of expert fees such as, psychologists, psychiatrists, lawyers (not members of the Program), amongst others, the Director of the Program shall consider the individual expertise and local practices thereof.

4.6. Generated interests of the IOLTA account must be reimbursed by the Program via the Mexican Consulate in Tucson, Arizona, to the SRE at the term of the contract.

4.7. At the expiration date of the contract, any remaining balance at the IOLTA account will be returned to the SRE, in a period no to exceed 20 days after the expiration date of the contract.

This 20 day period will also be used by the Director to pay any outstanding bill related to expenses or legal fees generated before the expiration of the agreement.

5. The Program

5.1. The parties acknowledge that they cannot predict the number of Mexican nationals who will require Program assistance, therefore:

5.1.1. Once a given case is included in the Program, the Director will determine how to best further the interest of the Mexican national, either with the assistance of attorneys, experts, investigators, paralegals and other

professionals. The previously mentioned advancement of interest will be carried out in accordance to the terms of this agreement.

5.2. To carry out the administration, accountability, (as in preparing invoices), documentation of fees and costs, payment of services, and other accounting proofs in accordance to the legal and customary practices in the United States for bookkeeping and accounting.

6. General Provisions

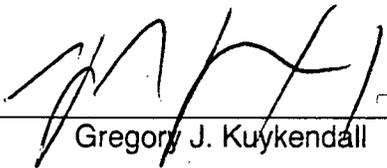

6.1. The term of the contract will last until the 31st of May 2011. However, either party to this contract can terminate it before that date. The parties agree that no legal fees nor expenditures derived from this agreement will be generated after the expiration date.

6.2. Any disputes or controversies between the parties to this contract arising from its interpretation and fulfillment shall be resolved in the Federal Court in the State of Arizona.

6.3. Finally, the cases listed in Annex II, attached to this contract shall be formally incorporated into the Program upon the formal execution of this agreement.

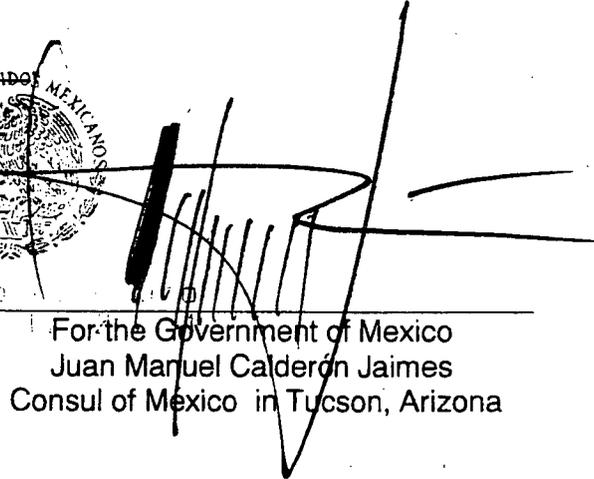

6.4. This contract is signed in Spanish and English, by quadruplicated. In case of controversy, the English version will be controlling.
