### Myrmidon Group LLC/Republika Srpska

Myrmidon Group LLC's U.S. work on behalf of the foreign principal is focused on promoting a better understanding of the principal's economic policies and its domestic reform agenda. Since January 2012, the mandate has expanded from outreach to the business, policy, analytic, academic, non-governmental, media and investment communities to include outreach to the U.S. Congress and the U.S. Government.

Some of the registrant's work focuses on providing advice on the promotion of specific economic investment opportunities in Republika Sprska to the U.S public. Some of our advisory work involves discussion of communications between the foreign principal and the non-governmental community, business community, media, scholars, and private-sector policy analysts in the U.S. In the period of July and August 2012, our work also involved outreach to the Democratic and Republican parties, with the aim of securing participation as observers of officials from Republika Srpska in the 2012 party political conventions.

Additionally, some of our work is focused on the government's broader investment promotion efforts and on specific investment opportunities. This work may include attracting business groups and investors in Europe, Asia, Latin America, and the Middle East. Such work is part of our overall advisory role, but is not specifically subject to FARA.
