Registrant has been retained by a US domestic corporation to provide consulting services to promote the client's commercial interests, with the goal of fostering positive bilateral relations between the US and Azerbaijan. The Registrant has not been asked to act at the behest of a foreign government or political party nor, to Registrant's knowledge, is the US corporation owned, directed, financed or controlled by a foreign principal. However, in the course of providing services to the domestic client, Registrant may possibly be asked to provide advice to, or otherwise provide services at the behest of, Representatives in Azerbaijan. While no such requests have thus far been made, and no services to a foreign government or political party have been requested or provided, this registration was filed out of an abundance of caution and in the interests of disclosure. Amendments are being made to clarify this representational capacity and possibility. Further amendments will be filed should work for a foreign principal be requested or performed.

Amendment to Registration Statement

The Delahunt Group LLC

Response to Question 5 (continued)

- 1) Change the name of the foreign principal as listed in Initial Registration Question #7 from "West Coast Connections (on behalf of Embassy of Azerbaijan)" to "Representatives in Azerbaijan (through West Coast Connections Inc.)"
- 2) Change the response to Item 10 on William Delahunt's short form registration statement by deleting the previous response and inserting in its place the following:
"Representatives in Azerbaijan (through West Coast Connections Inc.)"
- 3) Change the response to Item 11 on William Delahunt's short form registration statement by deleting the previous response and inserting in its place the following:
"Work is being performed for a U.S. domestic corporation West Coast Connections, Inc. to promote its own commercial interests, with the goal of promoting positive bi-lateral relations between the US and Azerbaijan. At some point in the future, it is possible that registrant and Short-Form registrant may be called upon to provide strategic advice and counsel to Representatives in Azerbaijan, through West Coast Connections, Inc., though no such requests have thus far been made and no work has been performed for any foreign principal. This registration has been filed out of an abundance of caution. Further amendments will be filed should work for, on behalf of, or at the behest of, foreign government officials be provided."
- 4) Change the Name of Foreign Principal list in Exhibit A and Exhibit B, questions 3 from "West Coast Communications Inc. (for the Embassy of Azerbaijan)" to "Representatives in Azerbaijan (through West Coast Connections Inc.)"
- 5) To amend Exhibit A and Exhibit B to clarify that work is performed for a US domestic corporation for its own commercial benefit, but that the Registrant may in the future be called upon on occasion to provide strategic advice to Representatives in Azerbaijan who have yet to be identified or determined. No such requests have been made thus far and no work has been performed for any foreign principal. Re-drafted Exhibits have been filed herewith.

In particular, amendments to Exhibits A and B (as detailed in the re-filed Exhibits) are as follows:

- Change the response to Exhibit A Question 8a by striking the reference to "Embassy of Azerbaijan" and inserting in its place "Representatives in Azerbaijan" and to note that Registrant *may* be requested to provide strategic advice and counsel to those

Representatives at some point in the future but that no such requests have been made thus far.

- Change the response to Exhibit A Question 8b by marking all boxes “no.”
- Change the Response to Exhibit A Question 9 by noting that work at this time is anticipated to be solely on behalf and at direction of a US domestic corporation but that at some point in the future during this representation Registrant may be requested to provide advice and services to Representatives in Azerbaijan.
- Change the response to Exhibit B question 7 by striking references to “Embassy of Azerbaijan” and “Embassy staff” and noting that work will be for the private and commercial benefit of a U.S. domestic corporation but that Registrant may be requested, at some point in the future during this representation, to provide advice and services to Representatives in Azerbaijan.
- Change response to Exhibit B question 8 by indicating that any services rendered on behalf of or at behest of a foreign principal in which Registrant would act in an agency capacity are possibilities only.
- Change the response to Exhibit B question 9 by indicating that “political activities” on behalf of a foreign principal are unknown at this time, as no such requests have been made.
